RE: MOD073025447

Dear Mr. Scalora:

Thank you for your clarification of your status in the Federal Resource Conservation and Recovery Act (RCRA) program.

Based on a review of your file and our telephone conversation, we are changing your status to non-regulated under the Federal RCRA system. Your identification number is being cancelled.

If your process should change please contact Mrs. Betti Harris of my staff. She can be reached at 816-374-6534.

The action described in this letter pertains only to the Federal RCRA system and does not dismiss you from compliance with the Missouri Solid and Hazardous Waste Laws and Regulations, 260.200-260.240 RSMo and 260.350-260.430 RSMo, respectively. If you have any questions concerning this, please contact the Waste Management Program of the Missouri Department of Natural Resources at 314-751-3241.

Sincerely yours,
